THE MULTI HULL SHOW

Visit the **MULTIHULL SHOW** and see the latest designs from the world's leading brands. Multihull enthusiasts can view models from 8-15 metres in length, in one location, on the water and side by side at Royal Clarence Marina in Gosport, Hampshire.

The show runs from 10am to 5pm each day. All the multihulls on show will be open for viewing and there will be opportunities to test sail selected catamarans.

LAGOON - ANCASTA INTERNATIONAL BOAT SALES

Ancasta is the sole UK and Ireland dealer for Lagoon sailing catamarans. Part of Groupe Beneteau, Lagoon is the world's biggest producer of cruising catamarans. All models in the range are designed with safe, long distance family cruising in mind. Lagoon builds yachts between 38 feet and 62 feet in length. Over five hundred 380's have now been built!

On display will be an owner version of the Lagoon 380, a brand new 421 and a stunning 570 which is available for sale on brokerage.

FOUNTAINE PAJOT - M.i.CATS

The M.i.Cats team will be available throughout the show onboard Fountaine Pajot's amazing Lavezzi 40, one of the most successful production catamarans ever built. This year, the show boat is available for UK charter, allowing potential buyers to go sailing and experience the Lavezzi's voluminous interior, quality fittings and graceful sea-keeping without having to travel too far afield.

Colour brochures, specification sheets and prices for all of the boats in the Fountaine Pajot fleet will also be available, along with full details of a wide selection of brokerage yachts that they also have in stock. Whatever you are looking for, sail or power, new or pre-owned; M.i.Cats will be able to find you the boat of your dreams.

DRAGONFLY - MULTIHULL SOLUTIONS

Dragonfly folding trimarans will alter your expectations of sailing, with 20+ knot performance plus large trampoline space for relaxing and shoal draft for access to anchorages denied to larger boats. Their unique combination of performance and comfort has twice earned prestigious 'European Yacht of the Year' titles.

The 2009 Dragonfly 28 is the latest in a 28-40ft range of award winning folding trimarans built by Quorning Boats in Denmark for over 40 years. The Swing Wing system allows this 5 berth sport cruiser to fold within the EU trailer width limit on the water, yet remain stable while folded in the marina. Come and see how a Dragonfly could 'Unfold your Horizons'
